Players have to play in at least 5 of the 9 Match Days in order to have a chance of winning these prizes, so please keep trying to get into your Team! Each Player's 5 highest 18 hole Stableford points totals, including totals when Competition Handicap Allowances are applied, will be added together to decide the winners. In the event of any ties, the Trophies will be awarded to the joint winners, and prize vouchers will be shared. However, if there is a tie for first place, the two "Shot Scopes" will be awarded on count-back, by comparing each tied Player's 5 counting Stableford scores relative to the CSSs on those Match Days, and the Players with the most points over the 5 CSSs being the winners. If still tied, then there will be play-offs on a neutral course.
